ARRESTER ANTI-SNATCH HOLSTER

DUTY ANTI-SNATCH ARRESTER HOLSTER

Whenever a law enforcement personnel encounters violence or unexpected danger his weapon is always a snatch target, which will cause enormous casualties. This new anti-snatch structure holster is designed and manufactured according to law enforcement personnel's duty experiences, which can overcome shortcoming of traditional holster's or old version's anti-snatch holsters.

[Waist adjustable lockable system] provides big adjustable space, where the user can adjust it to the duty belt according to his size or custom and lock it.

[Five sections adjustable and system] gives the user a personal adjustment space. The user can adjust it according to his custom when combining other gear to the belt, adjusting angles of 15 or 30 degrees to the front, 15 or 30 degrees to the back or remain 90 degrees on the vertical.
